BEST HUSH PUPPIES FRESH FRESH SEAFOOD

507 YORK ROAD, TOWSON,
(410) 821-3474

This spunky little restaurant's owners are so serious about the from-scratch quality of their food that they say it twice: *Fresh Fresh* Seafood. We [heart], big time, the ocean-based offerings but regard those as mere sidekicks to the delicious hush puppies that come with. Tender-hearted, crisp-coated corny nuggets of fried deliciousness
